## CAIR-MA’s Mission

To enhance understanding of Islam, encourage dialogue, protect civil liberties, empower American Muslims, and build coalitions that promote social justice and mutual understanding.

## What We Do

- ◆ **Provide Legal Services:** We offer free legal advice and representation in cases of anti-Muslim discrimination.
- ◆ **Advocate for Civil Rights:** We promote legislation that safeguards the civil rights of Muslims.
- ◆ **Educate Communities:** We conduct workshops and trainings on anti-Islamophobia, civil rights, and civic engagement.
- ◆ **Build Strong Alliances:** We create opportunities to foster community connections and solidarity, particularly among marginalized groups.
- ◆ **Develop Muslim Youth:** We run programs honing personal development and skill growth such as the Muslim Youth Leadership Program and the Youth Advisory Committee.

## *Support Our \$1 Million Campaign as we celebrate 10 years of impact!*

**In 2025, CAIR-MA celebrates a decade of defending civil rights and empowering Muslims.** Over the past year, we've doubled our staff and responded to a record number of calls for help, advocacy, and programming, all while expanding our reach across the state. To continue meeting the growing needs of our community, we're launching a \$1 million fundraising campaign. **Your support will ensure we can keep fighting for justice and equality.**
